

# Development of Climate Justice Education at the Moldova State University

Working together with the faculties of Law and Biology, to expand the University's human rights education capacity through new interdisciplinary courses and initiatives, deepening its integration within the regional network

**2024 – 2025**

Global Campus of Human Rights with the Moldova State University, and in coordination with the Yerevan State University – Centre for European Studies

under the auspices of the Ministry of Environment, Republic of Moldova

Chisinau, Moldova

## Main results

Development and adoption of a **curricular course (5 ECTS)** on climate justice and environmental rights at the Faculty of Law, and adoption of **Climate FRESK®** as a learning tool to mainstream climate awareness at the Faculty of Biology and Geoscience

Creation of the **JURIS Lab – Research and Education on Human Rights and Sustainable Development**, an incubator of inter-university cooperation for advancing the rule of law, human rights, and green transition in Moldova

2 editions of the **European Cross-Regional Spring School** on Climate Justice and Human Rights, involving **41 participants** from the EU Enlargement area, **10 international** and **6 local experts**, and **3 GC regional programmes**

**“Climate justice is a moral imperative, essential for making the world a better place for all its inhabitants, and embodies the principle of equity, requiring everyone to contribute according to their abilities.”** Hewan, 2024 School participant
